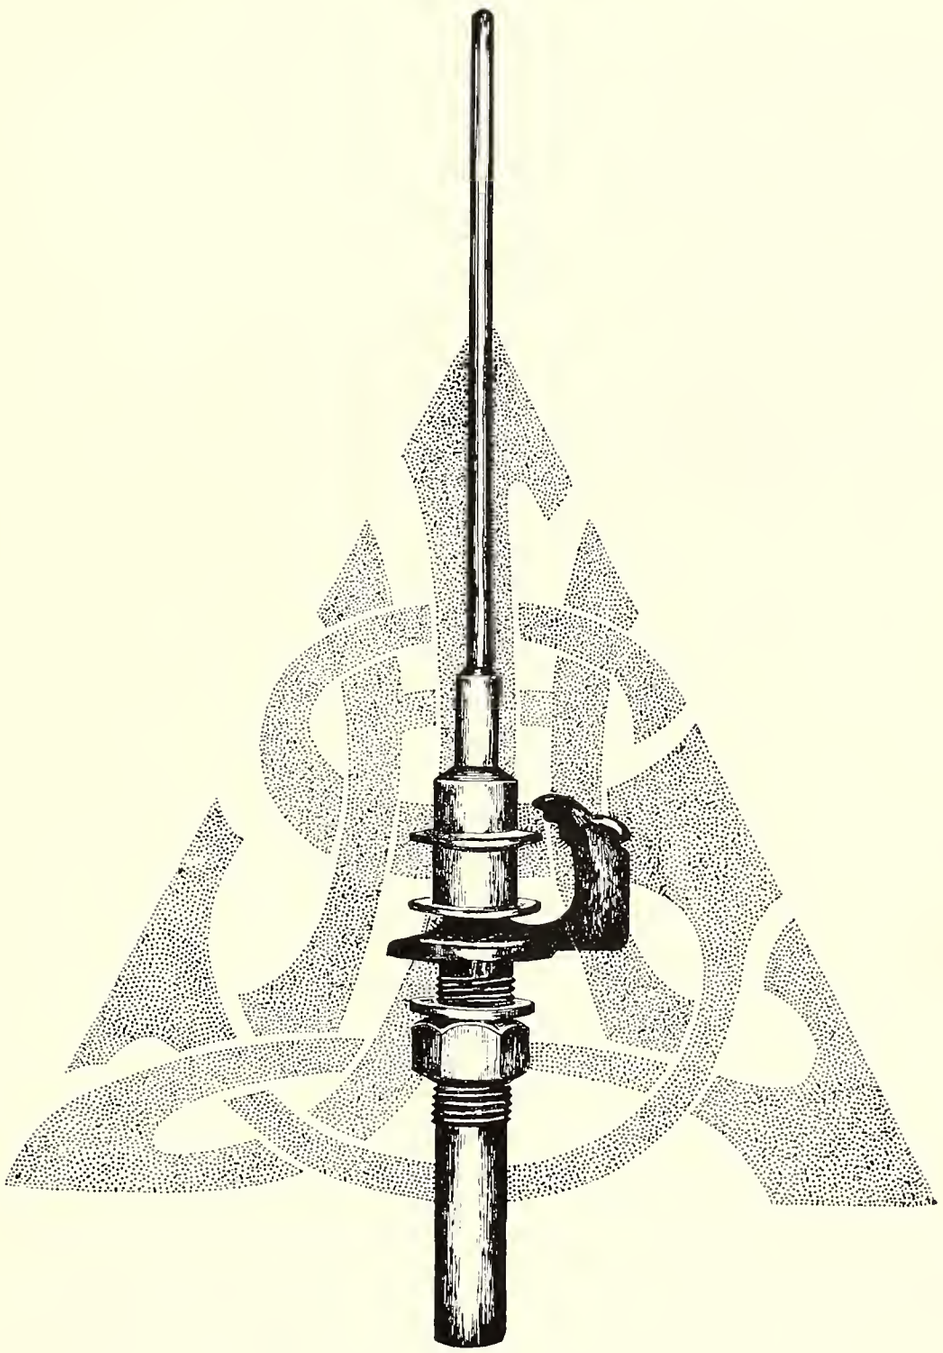
The Spindle

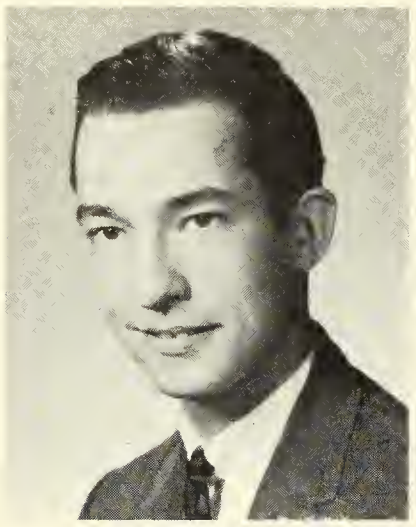


LOWELL HIGH SCHOOL

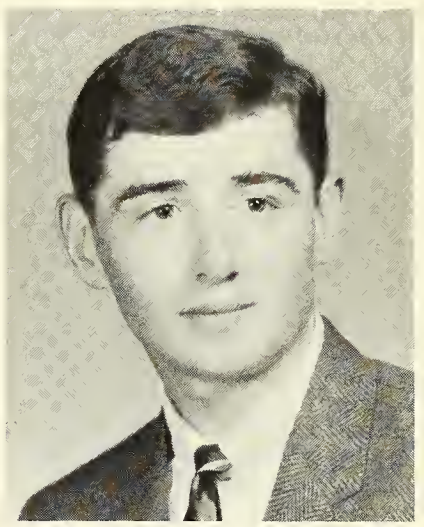
LOWELL, MASSACHUSETTS

1967

The Class Dedicates the Yearbook to the memory of these four classmates



Paul Gauthier



Richard Campbell

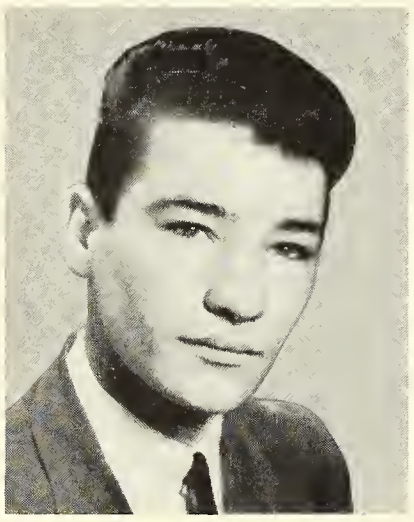
Standing strong as mighty giants,
You brought good where evil trod.
Your friendship was a strong alliance;
We weep, for now, your strength lies dead.

Not long ago your fire burnt bright
Breaking the darkness of uncertain time.
Now, alas, there is no light—
Death has dealt a final blow.

The earth below us seemed to rumble,
Cursing the fate that brings such pain.
You, towers of strength, too soon did crumble,
Never to be built again.

No more we weep, but now stand firm,
And contemplate your lives, you models of our time.

Paul Murphy



Thomas Gauthier

RAYMOND A. SULLIVAN
Headmaster

To the Graduates of 1967

Computers, automation, integrated circuits, electronics are all terms that have come into popular use within the lifetimes of this graduating class. To meet the requirements of the age, the curriculum has been adapted to some degree, always with the welfare of the pupils as the primary consideration.

In this process certain universal constants remain as guidelines to the training given by the faculty. We feel that honor, integrity, reliability have not become outworn. During your years here, as we implement plans to help develop maximum potential for maturity, we hope to establish as standards an air of urgency and a sense of purpose as typical characteristics.

Aiming for excellence as you weave the pattern of your years, may you always shape your todays to provide well for your tomorrows.

"The Spindle" Staff

Front: Susan Barnes, Maria Sarantos, Susan Lebednik, Susan McCarthy, Zofia Mierzwa, Kathy Martin, Patricia Rappe, Alan Rindler, Susan Ballman, Sharon Sparks, Mary Beth McManus, Linda Stavely, Louise McKinnon, Donna Greenhalge. *Middle*: Richard Jones, Lael O'Brien, Anne Kubit, Linda Lovely, Patricia Lowe, Mary-Ann Pacula, Aphrodite Tsirovasiles, Elaine Orphant, Gail Ireson, Joyce Stevens, Joan Weisburg, Joanne Deschene, Patricia Callahan, Patricia Nida. *Rear*: Thomas Malone, Robert Geyer, John Lowe, Victor Kiloski, David Barry, Paul Clark, Kathy Finnerty, John Boss, John Sarro, Michael Kirwin, Charles Katsikas, Nicholas Tsapatsaris, Richard Neher.

An immeasurable tribute is due to Miss Anna Ryan, who has worked tirelessly for the many graduating classes of Lowell High. As her title as "faculty advisor" would have us believe, her job is supposedly in an advisory capacity. However, those of us who have had the privilege of working with her are astounded by her unselfish sacrifice to insure that "The Spindle" is as perfect as possible. To her truly belongs the title, "EDITOR-IN-CHIEF".

"Thanks for the memories" is the song which we wish you to sing years from now when you look through this book. No doubt you will laugh at the pictures and perhaps shed a tear for that "one true love" of your high school days. Yet, we hope that your memories of these past four years are happy ones and will always remain so with the help of these records of *'67*.

The Staff wishes everyone the best of luck, happiness, and success in whatever the future holds.

This year's team with a record of 7 wins and 11 losses has been the most successful team in the last eight years. What the record doesn't show is that four of these games were lost by less than five points including one lost in double overtime.

The co-captains, Brian Mahoney and Dave Maille, along with Rich Bouchard, Dave Levine, and John Lowe were the only seniors on the squad. All five contributed greatly to the spirit and hustle of this year's club. Next year's prospects are extremely good with such veterans as the Ryan brothers and Brian Martin expected to be the nucleus.

In only their third season of competition, Coach Bossi's wrestling squad was undefeated in dual meets. Captained by Dick Gauthier, who compiled an amazing overall record of 24 wins and only 1 loss and captured the Mass. State Championship in the 180 lb. class, the team was crowned Merrimack Valley Champs at the tournament held in Lowell. The performances by Gauthier, Rod MacDonald, Frank Elliot, who is New England Heavyweight King, and Scott Hunt gave Lowell a third place in the Mass. Tournament only three points behind the victors. Consistent performances were given all year by the whole squad especially seniors Redding, Rodrigues, and Lynch.

Hockey

The Lowell High School Hockey Team ended its initial season in the Twin-State Hockey League with a 1-16 record. In talking with the new coach, Bill Robinson, we were reminded that the record could not show the definite improvement that his young squad had made in mastering the difficult fundamentals of this fast and tough sport. The fact that Lowell has had no organized hockey on any level until this year accounts for the inexperience of the city's players. However, with the recently formed Lowell Hockey Association which will act as a "feeder system" for our school team, we are expecting a steady climb to the league championship in the next few years.

The outstanding member of this year's team was its only senior, Captain Leon Cote. Playing the nets as Lowell's goalie, Cote had a phenomenal record of 541 saves during the season. Currently, he holds the league's record for saves in one game with 62.

"FIGHT! SCORE WIN!" is a familiar cry of the Lowell High Cheerleaders. Under the direction of Mrs. Beatrice Johnston, the girls lead the Pep Squad at all the football and basketball games. Since Freshmen, Sophomores, and Juniors make up the Junior Varsity Squad, the Seniors the Varsity Squad, all classes are eligible to participate in this ever-popular sport.

One of the highlights of the year is the Thanksgiving Game Rally which this year proved to be the greatest. Thanks to the Cheerleaders, skits, yells, and bubbling school spirit made this year's rally quite a memorable event for the Class of '67.

The Lowell High School Girls Basketball Team, coached by Mrs. Beatrice H. Johnston, enjoyed a short but successful first season, winning two out of three games. The outstanding players were Kathie Finnerty, Daphne Kouloheras, and Kathy Pyne.

Golf

In its initial appearance in the Merrimack Valley Golf League, last year's team co-captained by John Leggat and Robert Hassett finished in second place with a record of 8-2. Their overall record of 9-7 was gained through the efforts of Jim Cordeau, Dennis Taff, Larry Peaslee, and Jim Devlin in addition to the veterans of this year's squad.

This year's squad is expected to have a 20 game schedule under Coach Dave Hackney of Vesper and Faculty Advisor, Mr. Joseph J. Petros.

Front: Warren Barclay, Gerald Lussier, Roy Morell. *Rear*: Kevin McNamara, Victor Hamel, Thomas Sintros, Robert Stowell.

Band

The Lowell High School Band under the direction of William J. Notini enjoyed a most successful year. The eighty piece group performed at football games, pep rallies, assemblies, and many civic affairs; the band also marched in the Christmas, Field Day, and Memorial Day parades. The annual band concert was presented in April. Graduation exercises climaxed the band's activities.

Preparation

Relaxation

Since their first appearance on Thanksgiving Day 1935, the Lowell High School Baton Twirlers, first founded by Wilfrid T. Boulger, have become a popular attraction during the halves of the Lowell High football games. Now, under the direction of Mrs. Barbara Capone, the girls, attired in sparkling red and white uniforms, continue to display their talents in executing their precision drills.

Activities for these hard-working girls do not stop with the end of football season. During the year they travel to various twirling competitions throughout Massachusetts and Rhode Island. At these competitions they win many trophies and medals and are complimented on their beautiful costumes, expert twirling ability and good behavior. They also hold contests of their own every few months during the school year. Appearances in the Field Day and Memorial Day parades are an annual activity for these girls. This year they also made an appearance at the Boston Patriot's Benefit Basketball Game in Lawrence. In addition to all this they make individual appearances at school assemblies, rallies, band concerts and other civic functions.

The group has progressed considerably since 1935 and today can be called one of the busiest units in school, as twirling is a twelve months' activity.

Business Education

Business Club Officers

During the past year, the Business Club under the direction of President Fred Abisi, the Vice-President John Lowe, Treasurer Carol Williamson, and Secretary Donna Sarmento held challenging and varied lectures by prominent businessmen, and discussions. These all offered a general enrichment of the students' knowledge of the business world.

To examine business at its source, the Business Club participated this year in the Youth Surveys Industry Program. Under the guidance of Mr. Christopher Mitchell and the direction of Faculty Advisor, Mr. Harold Garvey, the club toured several local businesses on a fine school day. The preceeding Saturday found high school business students from this area at Lowell Technological Institute where seminars and discussions were held all day under this same program.

Each Spring fourteen girls are chosen from the stenographic course to act as secretaries in the Business Education Office. Trained by Mr. Edward Sullivan to record and assist in the distribution of school supplies, these girls not only gain valuable experience, but also perform a valuable service to the school.

Floormasters' Secretaries

Each year several senior girls are chosen as secretaries for the four floormasters' offices. During their spare hours, they act as receptionists in the various halls of justice. Mainly, their jobs consist of typing, writing out tardy slips, filing assignment cards, and keeping a record of the Moratorium for transgressors.

The National Honor Society is comprised of students who have proven to have extraordinary prowess in scholarship, character, leadership, and service. To become a member of this society is one of the most honored scholastic attainments a student can achieve.

The Lowell High Chapter of the National Honor Society was founded forty years ago by Miss Helen Choate and is currently under the able guidance of Mr. John Leary. Our chapter has striven to fulfill the society's purpose, which is to stimulate student interest in scholastic achievement and in individual character development.

With perfect posture, eyes front, flashing sword, and pointed toe, the Girl Officers have once more gained admiration.

It is the ambition of almost every girl to become a Girl Officer. This incentive creates a determination to work to the best of her ability in gym to achieve this goal.

Membership's based on a rugged competitive examination at the end of the junior year. Seventy-two of the almost three hundred girls in the try-outs are chosen by three impartial judges, who are qualified in the field of Physical Education.

Under the supervision of Mrs. Sally Burns, these girls serve as leaders to the under-graduates, who strive to follow their example. They also serve many civic organizations.

Girls in the Lowell High School Battalion are proud and honored to wear the traditional navy blue and gold uniform.

Under the able direction of Mr. Charles R. Mellon, the Math Club has had one of its most successful years. With lectures and discussions on contemporary mathematics, the club has achieved its purpose of promoting an interest in its field.

The club has also striven to create a stronger school spirit among the student body. This has been accomplished through such activities as the Holiday Dance and the Bowling Tournament.

Front: Susan Kruger, Kathy McManus, Joan Mavrogianis, Ann Maher, Andrea Natsios, Linda Lisay. *Middle*: Susan Roth, Patricia Chakmakos, Nicholas Tsapatsaris, William Killilea, William Couture, Patricia Nida, Christine Strykowski. *Rear*: Ara Jeknavorian, Stephen Dixon, Robert Gurney, Charles Tontar, James Jozokas, Richard Abreu.

In the Language Lab

The European Culture Club, consisting of junior and senior girls, enjoys lectures and slides on various European countries through the contributions of teachers and students.

Each year members of the club enjoy a banquet and a Christmas party. Without the capable leadership of Miss Bertha Desmarais, the club advisor, this club would not be the fine organization it is.

Distributive Education

On the twelfth-grade level, the Distributive Education Course under the supervision of Miss Claire A. Quigley, teacher—coordinator, is available to seniors who are physically fit and sixteen years of age or older. To qualify for the course, such factors as scholarship, attendance, personality, appearance, conduct, and interest are evaluated.

The co-operative plan of combining in-school training for high school seniors with related practical experience on supervised positions has been successful. Lowell Merchants cooperate with the school in providing the training and experience on the jobs.

Two personnel directors from our local stores interview prospective students at the end of their junior year. Their previous high school record, plus the personnel director's rating determine which students are acceptable for employment.

The four major subjects studied are: Business English IV, Techniques of Selling, Economics of Retailing, and Merchandise Information.

The syllabus followed is the prescribed guide furnished by the Massachusetts State Department of Education, written by Miss Mary I. McKay, State Supervisor of Distributive Education.

Masters of Ceremony

Future Teachers of America

This new fastest-growing club at LHS, celebrated by ably informing interested high school students about the opportunities of a teaching career.

Enthusiasm was kept constantly alive by a number of special activities. Members attended two Shakespearean plays, and spent a day at LSTC, observing the classroom techniques.

The most important event of the year was the Holiday Dance held in December by the FTA, in conjunction with the Math and Science Clubs. Proceeds from the dance, supervised by FTA president Zosh Mierzwa, with entertainment by "Little John and the Sherwoods", provided a scholarship.

The switchboard operators from Miss Brown's room 115 are vital in the communication system of Lowell High School. They must be competent, tactful, and courteous. They are chosen from a long list of applicants. Among their various duties are: outside and interoffice communication, sorting mail, writing, filing, and posting dismissal slips.

Bookroom

Hidden in an obscure corner of the basement lies one of the most fascinating rooms in school. Most students never or hardly ever stop to think about the bookroom, yet every student in the high school makes use of this room many times a year, for in it are shelved the literally thousands of volumes for use by all the English classes.

In charge of all these volumes is Miss Helen Shea, head of the English Department. She has the monumental tasks of distributing the books, accounting for those lost or destroyed, and choosing and ordering new ones so that the supply is always kept up to date.

Library Staff

Students in the library staff serve one period a day in the library. The staff members learn how to check books in and out, and how to replace the books in their proper places in the shelves. They deliver attendance slips to the study halls and learn the use of the card catalogue and reference station. They also have the opportunity to use the many good books available for reference, study, and recreation.

On the road

In January 1966, the first ski club for Lowell High was organized under the capable direction of Mr. Brendan Sullivan. Its purpose is to encourage participation in and to gain a greater knowledge of the currently popular sport. Membership is open to all interested Freshmen, Sophomores, Juniors, and Seniors. During the skiing season, the club made trips to Sunapee, New Hampshire, where the ski enthusiasts had an opportunity to take lessons and enjoy the sport. Meetings are held frequently during the winter season with movies and speakers on the agenda.

Elevator Operators

Operating the elevator is a privilege reserved for choice Cadet Officers. At the beginning of each school year most of the Cadet Officers with spare periods are assigned to operate the elevator during one spare period a week. Although the elevator is mainly for the teachers' convenience, the Personnel Department, along with incapacitated students use this facility.

The Regiment

Since 1880, the faithful Cadet Officers have honored their school by their outstanding character and performance. Under the capable leadership of Lt. Col. John Beaulieu, Major James Murray, deceased, and Lieutenant Philip Dancause, the regiment has been impressive throughout the year in precision and smartness.

The highest ranking Cadet Officer, Brigadier General, is the student leader of the Junior and Sophomore Battle Groups. He is assisted by a colonel, five lieutenant-colonels, nine majors, eighteen captains, twenty-three first-lieutenants, and twenty-six second-lieutenants.

The Cadet Officers of 1967 have many cherished memories, of their experiences in the Lowell High School Boys Regiment and also at the Cadet Officers Ball. Field Day and Memorial Day are unforgettable events in the life of every cadet.

The role of the newspaper in today's society is vital as we explore yet new depths and accumulate revised knowledge. As informant to the public this daily medium is responsible for a nation's and world's opinions. In newsprint, close abreast are presented views of the majority, minority, and indifferent. This is the ultimate goal of every gazette.

While on a more limited scale, "The Review", under the guidance of Miss Anna Ryan, attempted this year to enlarge its scope. Through the editorial, essay, and satire a capable staff rendered barb as deftly as praise.

Many will better remember the rise in cost due to extenuating financial necessity incurred by steadily increasing production and printing rates.

Despite slight veerings from its traditional layout and offering, "The Review" enjoyed a successful year, receiving plaudits from a number of adult readers, faculty and otherwise.

FEB. 9, 1967 FIFTEEN CENTS PER COPY VOL. XXVI No. 5

★ **GIRL OF THE MONTH** ★

Pretty and popular describe our Girl of the Month for February. She is Cathy Campbell, who lives with her parents, Mr. and Mrs. Richard Campbell at 168 Luce Street in Belvidere. Since entering L.H.S. from the Immaculate School, Cathy has been successfully following the College Course in hopes of attending college next year. Cathy is Secretary of the Science Club and a member of the European Culture Club. Some of Cathy's hobbies are skiing, swimming, sewing, and C.Y.O.

★ **BOY OF THE MONTH** ★

David Paradis is our happy-go-lucky Boy of the Month for February. He resides with his parents, Mr. and Mrs. Fernand J. Paradis at 691 Beacon Street. Since graduating from St. Stanislaus School he has been successfully enrolled in the College Course and hopes to attend Lowell Technological Institute next year. Dave is a member of the Cadet Officers, Science Club, Math Club, and Calculus Class. Some of Dave's hobbies are hunting, surfing, and swimming.

ROVING REPORTER

The idea has been proposed that the Girl Officer's Ball and the Cadet Officer's Ball be combined this year. This idea has both merit and disadvantages. First of all, both organizations are of the same type-military. Thus, one ball would suffice to represent both groups equally. In monetary terms, both parents and boys would be saved much hard earned money which at this time is being stored up for college.

On the other hand, we have certain traditions which have been upheld since the beginning of the program years ago. In reality, it is this sense of tradition which has prevented the system from being abolished altogether. Why is it necessary or even desirable to break these traditions? From a practical viewpoint, there is no place large enough in Lowell to hold both balls together.

Anthony's Anecdotes

Dear Anthony:

My sister has really disillusioned me. I tried to tell her about Santa Claus, but she didn't believe a word I said. I always thought that little girls were innocent and trusting.

—Depressed

Dear Depressed:

Welcome to 1967.

Dear Anthony:

I'm terribly upset. New Years' Day came and went, and I didn't get a single present. Isn't that awful?

—Stupified

Dear Stupe':

It sure is. It's also awful to imagine a holiday without any greed attached to it.

Dear Anthony:

My mother always nags me about my hobby. "Why do you collect those stupid rocks?" is what she continually asks. Will you please help me?

—At End of Rope

Dear "End":

It's inconceivable to me how your mother can be so thoughtless, so cruel. You have my full support and admiration for your great patience. By the way, why do you collect those stupid rocks?

CHORUS HAS NEW DIRECTOR

A new special chorus has been organized under the direction of Mr. B. Douglas Townshend, our new chorus director. The purpose of the special chorus is to perform at various school activities. Rehearsals are held Wednesdays after school. Presently they are working on a short cantata entitled "Columbus" by E. S. Hosmer and a folk song also called "Columbus," to be presented at the Columbus Day Assembly. Eventually Mr. Townshend hopes to organize a folk singing group. Elaine Boudouris is the accompanist.

GO FORMAL THIS MONTH

The Girl Officer's Ball for 1967 will be held on Friday, January 27, at The Memorial Auditorium with William Notini and his orchestra providing the music.

BUSINESS CLUB ELECTS OFFICERS

The following seniors have been elected Business Club officers for 1966-67. President, Fred Abisi; Vice-President, John Lowe; Secretary, Donna Sarmento; and Treasurer, Carol Williamson.

Mr. Harold Garvey announced at the last meeting that there will be a guest speaker to attend to talk on Business and Industry. All members are urged to attend!

In Memoriam

Raymond A. Sullivan, Head Master, delivered the following eulogy to the school on January 31, 1967:

The faculty and student body of the Lowell High School are deeply saddened by the unexpected death of Major James F. Murray, Instructor of Military Science and director of the Lowell High School Brigade. Major Murray was elected to the faculty of our school while serving as an officer with the U.S. Army fighting in the Pacific Islands during World War II. Following disabilities suffered in combat and hospitalization in the United States, he served as Professor of Military Science and Trainer of the Junior R.O.T.C. at Lowell High School in San Francisco. He came to Lowell, Massachusetts High School after his discharge and directed our Brigade to its greatest achievements. Major Murray was a dedicated teacher whose instructions served to enhance the opportunities of the thousands of young men who entered military service after leaving high school.

He was a loyal and true friend to faculty and student body. His great abilities and his happy presence will be sorely missed by all.

To his wife, sister and brother we extend our most sincere sympathy and we pray for his eternal rest.

Thespians to Act on April 7

There is a mysterious aura which surrounds the first mention of a play. This magical wreath never exactly disappears yet increases with such queries as—"Who is in it?" "Have they been practicing long?" "What will they do?"

The determination and talents of the cast are questionable until That Night. And the first burst of applause subsides, the first correct delivery of comedy is hilariously received and the show has begun.

New Officers Lead National Society

The National Honor Society is a nationwide organization whose purpose is to create an enthusiasm for scholarship, to stimulate a desire to render service to the school, to promote leadership, and to develop character in the students of America's secondary schools. Since the chief purpose of all schools is to make the greatest possible contribution to the realization of the American ideal of democracy, the Honor Society places emphasis on the overall accomplishments of the student. By doing this the society hopes to counteract the tendency of high school students to place overemphasis on individual performance in athletic events and the like. When a student is elected to the society it is to honor him for his attainments with promise of continued excellence in the ideals of the school.

EDITORS HEAR VICE-PRESIDENT

On October 14, 1966, Vice-President Humphrey took time out from his busy schedule to appear in a student press conference, which was held at Rivier College, Nashua, N.H. Linda Frawley and Charles Tontar represented *The Review* at this conference.

Mu Alpha Theta To Hold Fair

The Lowell High Chapter of Mu Alpha Theta is continuing with its ambitious plans to sponsor a Math Fair this March. Many awards will be given in all classes (Sr., Jr., etc.) twenty in all, and an overall winner will be chosen. He (or she), along with the winners in each level, will have the privilege of representing the school in other math fairs throughout the state.

BLAH!!

Only Pat C. and Sue K. know what Brian Harrington needs for his birthday. Don't we, Brian??

Speaking of Brian H., we hear that he does a cute dance step with a pretty little broom.

Linda Frawley — that watch really came in handy, didn't it??!

Cheryl — is his name Willie or Wally? Ask Debbie F.

Brenda Golden — what about John's car making a permanent stop at Andover and Nesmith Streets?!!

How did Barb's birthday present to Linda affect their celebration of New Years?!?

Whose favorite hobby is climbing trees with Bruce??!

Jane C. and Chris H., what happened when potpourrie went Xmas caroling?

How's our great "Marshmallow" football team?????

Steve C., I didn't know you were such a "Don Juan"!!!!

Is it really your French blood that does it, John????

John S., did you ever fix that couch??????

Linda M., that wax figure wasn't real!!!!!!!

Priscilla, why did you sit on a broken chair????????

Nick T., why did you go around wearing a Santa Claus for????

IN GRATITUDE

October 24, 1966

To The Students and Faculty of Lowell High School:

We will never be able to thank you enough for all that has been done in the memory of our three sons, Paul, Eugene and Thomas.

It is difficult to express in mere words how proud you have made us feel. Your unselfish attitude during this our gravest hours, will never be forgotten.

To all of you for making an ever lasting memorial for the boys, we send our sincerest gratitude and deepest respect.

God Bless All of You

Mr. and Mrs. Eugene Gauthier

SCIENTISTS CHOOSE ST. LOUIS BOYS

The Lowell High School Science Club has elected, under the supervision of Mr. Fred Gallagher, its officers for 1966-1967. The club, with an enrollment of over two hundred students, including seniors, juniors, sophomores, and freshmen, has appointed John St. Louis as president, Robert St. Louis as vice-president, Cathy Campbell as secretary, and Susan Scolnick as treasurer.

In Memoriam

Raymond A. Sullivan, Head Master delivered the following eulogy to the school on December 9, 1966:

For almost twenty years the History Department of the Lowell High School was enriched by the teaching of Miss Rella Park. As a teacher she possessed great knowledge of her field, a complete commitment to her vocation and thorough dedication to her pupils. When there was need for teachers of children of men serving overseas in the Armed Forces of the United States, Miss Park volunteered and taught in both Japan and Germany. She returned to her position in the High School to give the students of the Social Studies Department the benefits of her extensive experience.

Many months ago she was stricken with an incurable illness through which she suffered with saintly patience and resignation, an illness to which she succumbed on Tuesday.

We deeply mourn her death. We grieve the loss of an exemplary teacher, a gentle, kindly lady, a trusted, loyal friend.

To her sister we extend the deepest sympathy of the students and faculty of the Lowell High School. We will hold her always in fondest memory.

May she rest in peace.

SPORTS

By ROBERT ST. LOUIS

FOOTBALL

The Red Raiders of Lowell became the North Shore League Champions in the Annual Turkey Day Boot, which was held between the Lancers of Lawrence at their Memorial Stadium. This victory was offered to Coach Ray Riddick for his Twentieth year of outstanding coaching at Lowell High.

Both Jim Ryan and Frank Elliott were awarded trophies by the Greek American Legion, Ryan for outstanding player in this game and Elliott for his skillful playing in the line. Both teams and students showed exceptionally fine sportsmanship as well as tremendous school spirit.

FTA Names '67 Officers

On Thursday, October 27, the first meeting of the Future Teacher's of America Club was held in Coburn Hall to discuss the program for the coming year and to admit new members

Speech For Skiers

On Thursday, October 20, the Ski Club held an organization of meeting in Room 136, with Mr. Brendan Sullivan as advisor Elections were held to choose club officers: John Boss, president; Deborah Hogan, vice-president; Dick Hanks, treasurer; Jennifer Hartigan, secretary

Science Club

Seated: Jane Chosiad, Field Trip Chairman; Zosh Mierzwa, Program Chairman; Susan Scholnick, Treasurer; Cathy Campbell, Secretary. *Standing*: Robert St. Louis, Vice-President; John St. Louis, President; John Janeiro.

The Lowell High School Science Club of 1966-67, with a membership of over four-hundred, was formed to promote interest in all fields of science among the student body.

Immediately after the elections chairmen to various committees were appointed by the president; to the Constitutional Commitee, Carl Dillon, Elinor Lipman, Linda Lisay, John Janero and Chairman Tom Malone; to the Field Trip Committee, Jane Chosiad, Zosh Mierzwa, Program Chairman, and John Janero as Sergeant-at-Arms. Aiding the Science Club treasury, a HOLIDAY DANCE, held Dec. 16, 1966 in co-operation with the FTA and the Math Club, proved to be a great success by more than doubling the funds of the treasury. In April the L.H.S.S.C. sponsored its annual science fair in affiliation with the Lowell Technological Institute. On May 10, 1967 the annual field trip was held to the Museum of Science in Boston, with more than 150 attending. To end the school year the L.H.S.S.C. donated the sum of $150.00 to the school on Honor Day to be used for the purchase of science books and laboratory equipment.

This year, for the first time, the Science Club was governed by a constitution ratified by the members; also disciplinary actions toward its members resulted in a greater school spirit.

Before you accept that first job . . .

Look over your employer as carefully as he does you

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone Company . . . New England's largest employer.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.
